LUXURY

The buyer for your home might be in *San Diego*.

Or Phoenix, or the Bay Area. The portals reach buyers who are already searching. The buyer for a home like yours often isn't, yet. Was your last listing ever put in front of them?

THE RELAUNCH PLAN

The right buyer isn't searching yet.

IRS migration data says the people moving into our region come from the Bay Area, Los Angeles, San Diego, Phoenix, and Reno. A lot of them want exactly what you have: the land, the oaks, the lake. Most of them aren't searching yet, and the portals only reach people who are. Here's what reaches the rest:

Advertising placed in those exact metros, in front of people researching a move to the Sacramento region, plus retargeting to everyone who views the home.

The eXp Luxury network and global luxury portals.

Direct outreach to the relocation agents who bring those buyers to the foothills.
